Connect Everything. Charge Anything.

No more juggling multiple chargers!

Fuel-K3 adapts to all your devices with Smart IC Technology, optimizing power flow for maximum efficiency and speed. Whether you need to charge 5 devices at once or power up a high-energy gadget, this power bank delivers.

5 Outputs

- 2 x USB-A ports
- 1 x Type-C port
- 1 x Built-in Type-C Cable
- 1 x Built-in Lightning Cable

Dual Input Charging

- Recharge Fuel-K3 effortlessly with **any cable you have** on hand
- 1 x Micro USB Input
 - 1 x Type-C Input

Versatile & Feature-Packed

Multi-Device Compatibility Can even charge your laptop!

Charges smartphones, tablets, TWS earbuds, portable speakers & even laptops².

Digital Display for Battery Status

Keeps you in the loop with
real-time battery levels.

Travel-Friendly & Scratch Resistant Shell

Lightweight yet powerful, it is
the ultimate travel companion,
providing a quick power boost
whenever you need it.

Next-Gen Efficiency. Advanced Protection. Ultimate Performance.

AI-Powered Algorithm

Powered by a high-speed 32-bit processor, it optimizes power flow for ultra-efficient, intelligent charging.

Peak Energy Conversion Design

Designed with cutting-edge circuitry, it achieves an impressive 95% energy conversion rate, maximizing power output for faster, more effective charging across all your devices.

Multilayer Heat Dissipation System

Engineered with a fusion of aluminum, graphene, and thermal insulation layers, this system ensures rapid heat dissipation, delivering stable and reliable performance—even during prolonged use.
